

Ideal for your frying oil management

The VITO® oil filter system

Your benefits:

- ⬇ Increase the lifetime of your oil
- ⬇ Improve taste and quality
- ⬇ Save labor time

VITO® oil filter system
Portable systems

VITO® X1
Mobile systems

VITO® can be used in all fryers and is the perfect addition to any built-in or floor model filtration system!

Save up to 50%

You will save money, oil, labor, storage space and delivery costs with VITO®!

Easy & safe handling

Get clean oil in approx. 5 minutes. Put VITO® in the fryer at service temperature. Push the button and you're done!

Simple cleaning

VITO® is made of stainless steel and therefore dishwasher-safe! Due to the modular concept VITO® fits into any dishwasher basket!

Constant quality

VITO® secures the quality standards of your fried food due to always clean oil!

VITO® oiltester

Your benefits:

- ◆ Ensure the quality of your oil
- ◆ Change at the right time, due to easy traffic light function
- ◆ Support HACCP-standard
